

GMC Motorhome Advertisement
(Song)

When your mind is cluttered
Like the downtown city streets
Don't you wonder why Friday hides
Behind such busy weeks
When everything starts closing in
You need a change of scene
Make some weekends you'll remember
Pick a few good friends and leave

Wouldn't it be nice to own
A quiet country home
Or a cottage on the beach beside
The wild rambling sea
Well you can have the best of both
And everything in between
In a motorhome by GMC
Anytime you please

Chorus!

Yes you can do it in a GMC – Believe it!
A motorhome by GMC
Make some weekends you'll remember
Take a few good friends and leave
