

# GMC

(tune of YMCA)

Hey there, there's no need to feel down  
I said, hey there, pick yourself off the ground  
I said, hey there, 'cuz again you broke down  
There's no need to be unhappy

G - M - C  
oh yes we're driving our GMC's  
You have everything for you all to enjoy  
You can hang out with all of your toys

Hey there's a thing you can have  
If you wait it will take all your dough  
You will fix it, and I'm sure you will find  
When you're done, you'll have a good time

G - M - C  
oh yes we're driving our GMC's  
You go North and South and East and West  
And the GMC is the best!

We're driving our GMC's,  
oh yes we're driving our GMC's  
You have everything for you all to enjoy  
You can hang out with all of your toys.

oh yeah we're driving our GMC's  
It's tough to stay clean, and you miss a few meals  
But you're doing whatever you feel

Hey there, are you listening to me  
You can come to GMC rallies  
I said hey there, you can make real your dreams  
But you got to know this one thing

No one does it all by himself  
I said hey there, put your pride on the shelf  
And just say thanks to your better half  
If you don't, you'll not be happy

Oh yes we're driving our GMC's  
UH huh he's driving our GMC  
We're heading points West Put's us all to the test  
Ladies you just can sit back and rest

G - M - C  
oh yes we're driving our GMC's

And the gals will do Red Hat Teas!
